Piedmont Residential locked in, through PRC Mortgage, a fixed interest rate for a pool of funds made available to homebuyers on certain properties for a limited time. Rates are available until the pool of funds is depleted, or the promotion expires. The interest rate offered applies only to qualified Piedmont Residential homebuyers financed through PRC Mortgage for a borrower's principal residence. Not all borrowers will qualify. This offer is available for a limited time on and can be stopped at any time with no prior notice. Payment example does not include homeowner insurance, taxes, mortgage insurance of \$159.34, or any HOA fees. An escrow account will be created for the seller to deposit money in to "buydown" the difference in the subsidized monthly payment amount and the note rate. Offer not valid on contract re-writes, transfers, or for buyers who have had a previously signed contract with Piedmont Residential.
